

## COUNTRY HOUSE I SORBI - LAJATICO

This old and medieval Country House for 7-8 people is located only 4km from Lajatico, the place where the famous singer **Andrea Bocelli** was born and still becoming an international star for his incredibly moving voice.

In the same area you also find **Teatro del Silenzio** an open air Amphitheatre, which hosts a concert by Andrea Bocelli, its honorary president, once every year during June - August. The Theatre is remaining silent the rest of the year.

The location, in the lower slopes of the Alta Valdera, 45km south of Pisa, is perfect for exploring many other famous Tuscany attractions like Volterra, San Gimignano, Lucca and much more.

The property is new renovated in 2017 - very comfortable - located on a hill. A new swimmingpool has been constructed in 2017. This place is a perfect place for people looking for relaxation, reading books exploring and trekking in the nature, bird watching and more.

Not to forget enjoying panoramic views and sunset during dinner time and more.
