

# Il Borgo Santo Stefano

Agriturismo with swimming pool, Borgo Santo Stefano, was a small Tuscan farming homestead constructed around the 1850. It is situated in a panoramic position on the Tuscan hillside of Santo Stefano with a breathtaking view of the entire Valley of Chio and only 7 km from the town of Castiglion Fiorentino and a step away from Cortona and Umbria. It is composed of the original farm house and barn. With the restructuring work finished in 1998, the farm house was divided into two charming apartments, Casa Fufigna 1 e 2, and a small independent villa, Il Granaio. The entire property is surrounded by a spectacular landscaped garden that permits each unit to have private spaces outside, as well as, being able to share the swimming pool, 8 m X 5 m, which is centrally located. Guests can also enjoy cooking on the large stone barbeque. The villa apartments also offers its guests covered parking for 3 cars.

While Borgo Santo Stefano can be rented out as individual units, it can also be requested as a single villa for a family reunion or group of friends sleeping 12 to 16 guests.

All the apartments are furnished with fully equipped kitchens with stove top, oven, refrigerator, and dishwasher, living areas with telephone, television and Wi-Fi internet connection, laundry area with washing machine, independent heating, and hairdryers. Our rates also include bed linens, bath towels, kitchen cloths and tools, dishware and silverware, cups and glasses, electricity, water, and final cleaning.
